Mr Destiny

*Oh i'm sorry Im late
said i'm sorry i'm too late
Oh i'm sorry Im late
said i'm sorry i'm too late*

*Mr Destiny was awoken to sound
of the sun dripping down
she never was blessed
of her mr destiny
he said*

*Oh i'm sorry Im late
said i'm sorry i'm too late
Oh i'm sorry Im late
said i'm sorry i'm too late*

*What fates impose
we all must abide
by and by
your do well not to resist
the wind and the tied
don't fight the tied*

*Oh i'm sorry Im late
said i'm sorry i'm too late
Oh i'm sorry Im late
said i'm sorry i'm too late*

*If it is now it is not to come
if it is not to come it is now
if it is not now it is yet to come*

*Oh i'm sorry Im late
said i'm sorry i'm too late
Oh i'm sorry Im late
said i'm sorry i'm too late*
